ATTEND THE DYNAMIC CONFERENCE PROGRAM

We invite you to register to attend the multi-track conference program being offered at EMC 2012. Attendees are invited to the kick-off Opening Session and then they may choose from a variety of conference tracks. Note: The conference grid below only displays the session themes. Each session usually has four individual speakers or panel with discussion. Please refer to www.energyevent.com (click on conference) for up-to-date conference program details.

• CONFERENCE PROGRAM

Track 1: Energy Management	Track 2: Policy & Trends	Track 3: High Performance Buildings	Track 4: New Technologies
Session 1A	Session 2A	Session 3A	Session 4A
Wednesday, May 23 2:00-4:00PM	Wednesday, May 23 2:00-4:00PM	Wednesday, May 23 2:00-4:00PM	Wednesday, May 23 2:00-4:00PM
Energy Management Success Stories	Election Year Update	Benchmarking	Lighting
Session 1B	Session 2B	Session 3B	Session 4B
Thursday, May 24 9:00-11:00AM	Thursday, May 24 9:00-11:00AM	Thursday, May 24 9:00-11:00AM	Thursday, May 24 9:00-11:00AM
Energy Management Best Practices	Incentives/Rebates/Financing	Commissioning/Retro-Commissioning	Metering
Session 1C	Session 2C	Session 3C	Session 4C
Thursday, May 24 2:00-4:00PM	Thursday, May 24 2:00-4:00PM	Thursday, May 24 2:00-4:00PM	Thursday, May 24 2:00-4:00PM
Savings in Energy Management	Legislation & Policy	Building Intelligence	Intelligent Controls & Information Technology

• SEMINARS

In addition to the multi-track conference program at West Coast EMC, AEE will present a variety of in-depth seminars to meet your training needs (separate fees apply). Visit www.aeeprograms.com/seminars for more details.

May 21 - 22, 2012

- Energy Managers Guide to Implementing ISO 50001

May 21 - 23, 2012

- Fundamentals of Building Energy Simulation (BESA prep)
- Fundamentals of Lighting Efficiency (CLEP prep)
- Fundamentals of Measurement & Verification for Energy Managers & Emission Traders: Applying the IPMVP (CMVP prep)
- Fundamentals of Power Quality (CPQ prep)
- Fundamentals of Renewable Energy: Technologies, Applications, Strategies (REP prep)

EXHIBIT IN EMC

Showcase your innovative product, technology, or service by exhibiting at the West Coast EMC expo.
Contact: Ashley Clark, EMC Exhibit Manager, at (770) 279-4392 or ashley@aeecenter.org or visit www.aeecenter.org/EMC

FREE Expo Admission

Washington Convention & Trade Center Hall 4D

Complete the registration form on the back page and check expo only if you would like a show badge to explore the exhibits. If you would like to register online go to www.energyevent.com (click on free expo admission).

SPECIAL EVENTS

Visit the recent addition at the West Coast EMC 2012 Expo...

EMC's Pacific Northwest Green showcase, co-sponsored by the U.S. EPA's ENERGY STAR, will also be a prominent part of the event for 2012. Here you can examine firsthand the latest green, sustainable and environmentally friendly energy technologies now available for both new design and retrofit projects.

FREE Exhibit Hall Workshop Presentations

Popular exhibit hall workshops have been designed to enhance your learning and allow for an interactive experience for all expo attendees and presenters. Expo-only visitors, conference attendees, seminar delegates, and any other visitors to the show floor can participate in these

sessions for FREE. See products and services available while hearing case studies, applications, retrofit success stories, and innovative strategies for reducing costs. An updated listing of West Coast EMC workshops can be found at www.energyevent.com.

WEDNESDAY EVENTS

New Technologies Breakfast

Leviton Manufacturing Co. is pleased to sponsor the New Technologies Breakfast, a concise and informative forum for EMC attendees to preview the new and innovative products and services on display at the expo. Exhibitors will present 5 to 8 minute presentations on their newest technologies, enabling attendees to quickly map out their time at the show and get a rapid survey of what's new. This is a must-attend event for anyone responsible for providing trip reports or technology summaries for their employer.

Leviton offers the broadest array of lighting energy management solutions and technological advancements, which are the cornerstones to its 100-year history of success in the industry. Be sure to put this event on your schedule and sign up on the registration form. For information on sponsoring or speaking at this breakfast event, contact Jacqueline Fraga by emailing her at jacqueline@aeecenter.org or call (770) 279-4390.

Sponsored by:

EMC Opening Night Networking Reception

WEDNESDAY, May 23 / 4:30PM
All conference and seminar attendees are invited to join the Association of Energy Engineers (AEE) for the EMC opening night Networking Reception, where you can share ideas with a number of the industry's key energy experts and conference and workshop speakers. For information on sponsoring this reception, contact Lauren Lake at 678-687-4997.

THURSDAY EVENTS

Energy Policy: Opportunities and Challenges - A program for women professionals and women-owned companies

THURSDAY, May 24 / 7:30 - 9:00AM
Join us for a FREE breakfast at EMC presenting case studies of successful women-owned businesses, as well as discussing the unique barriers and opportunities these firms encounter

in the marketplace. The meeting is presented by the Council on Women in Energy and Environmental Leadership (CWEEL). CWEEL was founded by Laurie Wiegand-Jackson, President of North America Power Partners and is co-directed by MaryAnne Lauderdale, Senior Consultant at Lime Energy. This group was organized to develop a prominent voice for women in the industry. For information about CWEEL, visit www.aeecenter.org/CWEEL or contact Ruth Whitlock, Executive Administrator at AEE. She can be reached at whit@aeecenter.org.

AEE Chapter Luncheon

THURSDAY, May 24 / 11:30AM
Join us for a luncheon, chapter meeting and presentation. Registration is included for all paid conference attendees and is \$20 for all others.

Find out more details or register at www.aeecenter.org/EMCChapter
